Foreword from The President

Distinguished Colleagues and Honoured Stakeholders,

It is with great pride and deep appreciation that I welcome you on behalf of the Ikatan Akuntan Indonesia (Institute of Indonesia Chartered Accountants/IAI) to this important gathering—our International Seminar and the IFAC Connect ASIAPAC 2025, held as part of the commemoration of IAI's 68th Anniversary.

We are especially honoured to welcome distinguished participants of IFAC Connect—prominent leaders and key figures of the global accounting profession—representing nearly 100 jurisdictions from IFAC member organizations around the world. Their presence reflects the strength of our global community and reaffirms the critical role of international collaboration in shaping a resilient, transparent, and sustainable future for the profession.

IFAC Connect is an annual series of invitation-only interactive events convened by the International Federation of Accountants (IFAC), the global organization for the accountancy profession. These events focus on global agendas tailored to the priorities and interests of each region, and bring together professional accountancy organizations, standard setters, regulators, professional firms, and stakeholders from business and investor communities to advance high-quality corporate reporting, governance, and responsible business practices. We are deeply proud that the Jakarta edition of IFAC Connect forms an integral part of IAI's 68th Anniversary celebration.

Since its establishment on December 23rd, 1957, IAI has served as the cornerstone of the accounting profession in Indonesia—committed to upholding professionalism, public trust, and the continuous advancement of accounting standards and education. Over the past six decades, we have not only strengthened the profession nationally but also contributed to the development of financial infrastructure that supports sustainable economic growth.

IAI's global engagement is a testament to our long-standing commitment to international collaboration. We are proud to be a founding member of the International Federation of Accountants (IFAC), a founding body of the ASEAN Federation of Accountants (AFA), and an associate member of Chartered Accountants Worldwide (CAW). These affiliations demonstrate our dedication to promoting global consistency in standards, ethical leadership, and professional mobility for Indonesian accountants.

In today's world, the accounting profession must go beyond technical excellence—it must also be a driver of sustainability and inclusive prosperity. IAI actively supports the adoption of sustainability disclosure standards and the integration of ESG factors into financial and non-financial reporting. Through advocacy, training, and standard-setting, IAI empowers professionals to be at the forefront of sustainability transformation in both public and private sectors.

At the national level, IAI continues to play a pivotal role in supporting Indonesia's capital markets and investment ecosystem. Our standards and professional development programs contribute to enhancing the reliability of financial information, improving corporate governance, and supporting investor confidence. IAI also collaborates closely with regulators and stakeholders to strengthen financial transparency and accountability, particularly in response to the growing demands for integrated and sustainable business reporting.

This event is not only a commemoration, but also a platform to strengthen our global linkages, renew our professional mission, and inspire future action. In this spirit, we respectfully call for the support and active participation of all stakeholders—government, regulators, industry, academia, and fellow professional bodies. Your collaboration is essential to the success of this event, and more importantly, to the continued relevance and impact of our profession in the years ahead.

Let us work together to build a profession that is globally respected, nationally impactful, and deeply committed to shaping a sustainable and equitable future.

Thank you.

Ikatan Akuntan Indonesia

Dr. Ardan Adiperdana, CA

President

About this Event

International Seminar

Join the conversation that shapes the future of finance, governance, and the profession—where global leaders converge to collaborate, innovate, and build a **resilient, future-ready** world **beyond numbers**.

Taking place in Jakarta, Indonesia on 3 December 2025, the International Seminar marks the 68th anniversary of the Institute of Indonesia Chartered Accountants (IAI). This milestone event will spotlight the evolving role of accountants—resilient, sustainable, and future-ready—while shaping the path toward **Indonesia's Golden 2045** vision.

The full-day program will feature global leaders, policymakers, and professionals in keynote sessions and panel discussions on business strategy, sustainability, and public sector innovation. More than a commemoration, the seminar offers an opportunity to gain world-class insights, strengthen international networks, and contribute to shaping the future of the profession in an era of rapid transformation.

IFAC Connect ASIAPAC 2025

On 4 December 2025, IAI is proud to serve as the host of IFAC Connect ASIAPAC 2025, an exclusive, invitation-only forum held as part of its 68th Anniversary celebration. The event will bring together around 100 distinguished delegates from the region and beyond, highlighting Indonesia's commitment to **global collaboration** and advancing the accountancy profession in response to increasingly complex economic, technological, and **sustainability challenges**.

The program will convene professional bodies, leading firms, **regulators, standard setters**, and business leaders in interactive sessions focused on **enhancing reporting quality, governance, and sustainable business practices**. More than an exclusive gathering, IFAC Connect provides participants with the chance to exchange ideas, shape regional and global agendas, and strengthen their role as trusted leaders in building a resilient and future-ready profession beyond numbers.

ONLY SELECTED PARTICIPANTS WILL BE INVITED TO JOIN IFAC CONNECT ASIAPAC 2025.

About IAI

Established on 23 December 1957, the Institute of Indonesia Chartered Accountants (Ikatan Akuntan Indonesia – IAI) is the recognized Professional Accountancy Organization (PAO) in Indonesia that regulates, develops, and advances the accountancy profession in the country. IAI establishes Chartered Accountant (CA) Indonesia certification along with other professional accountancy certifications, and drives continuous education, training, and standard-setting to strengthen public trust and national financial infrastructure. Committed to supporting Indonesia's sustainable economic growth, IAI plays a pivotal role in enhancing corporate governance, capital market development, and investor confidence. At the international level, IAI is a founding member of the International Federation of Accountants (IFAC) and the ASEAN Federation of Accountants (AFA), as well as an associate member of Chartered Accountants Worldwide (CAW), reflecting its active contribution to international collaboration, ethical leadership, and global recognition of Indonesian accountants.

Agenda

Presidential Keynote Speech:

**Trust and Accountability for Indonesia's Golden Vision:
Navigating Global Turbulence Towards Sustainable Growth
and Prosperity**

Panel Session

PANEL DISCUSSION 1:

“Reinventing Business Strategy: The Accountant Profession as Strategic Advisor & Guardian of Trust in Agile & Dynamic Business Environment”

In today's rapidly changing business environment, organizations must continuously adapt their strategies to remain **competitive** and **resilient**. Accountants are increasingly expected to go beyond traditional roles and act as strategic advisors, offering insights that shape decision-making and long-term value creation. At the same time, they serve as guardians of trust, ensuring transparency, accountability, and ethical integrity amid complexity and uncertainty.

PANEL DISCUSSION 2:

“Beyond Reporting: Proactive Sustainability Risk Management and Compliance for Impactful Investment”

As sustainability becomes a core concern for investors and stakeholders, companies are expected to go beyond disclosure and take a proactive role in **managing sustainability-related risks**. This panel will explore how businesses can integrate sustainability risk management and regulatory compliance into strategic planning to build long-term resilience and credibility. By shifting from reactive reporting to impact-driven practices, organizations can attract more meaningful investment and create sustained value for society.

PANEL DISCUSSION 3:

“Reinventing Public Sector Practices: Enhancing Efficiency through Public Sector Management Innovation”

Public sector institutions are under growing pressure to deliver better services with greater efficiency, transparency, and accountability. This panel will examine how **innovation in public sector management**—including digital transformation, performance-based budgeting, and agile governance—can drive systemic improvements. By reinventing traditional practices, governments can enhance service delivery, optimize resource use, and build public trust in a rapidly evolving environment.

10.25 – 10.55	30"	Networking Break
PATHWAYS & POSSIBILITIES: REIMAGINING THE ACCOUNTANCY PROFESSION		
10.55 – 11.05	10"	Setting the Scene: Reimagining the Profession IFAC – Tanya Musumhi , IFAC Manager <i>Why reimagining the profession matters now, and what's at stake. This introduction will highlight how regions are reshaping the profession through new pathways and sustainability-driven approaches.</i>
11.05 – 11.15	10"	Regional Spotlight Prof. Lindawati Gani , Member of Indonesian Sustainability Standards Oversight Board of IAI / Member of the IFAC Professional Accountants in Business Advisory Group (PAIBAG)
11.15 - 11.25	10"	Regional Spotlight Saif Ullah , President, ICAP <i>Pakistan is reimagining the profession by modernizing its Chartered Accountancy qualification through the ICAP Education Scheme 2025. By updating entry routes, embedding data, systems, and technology skills, and strengthening practical training, Pakistan is reshaping pathways to ensure the next generation of accountants is prepared for strategic, tech-enabled, and sustainability-aware roles.</i>
11.25 - 11.35	10"	Firm Perspective (Representative from the GPPC TBC) Global firms are reimagining the profession by reshaping career pathways to meet shifting market demands. Through the GPPC, the largest networks are highlighting how technology, sustainability, and evolving business models are redefining the skills accountants need — and how firms are responding to attract, retain, and develop the next generation of talent.
11.35 - 11.45	10"	Reactions to Spotlights <i>An open exchange with the audience, drawing reflections and questions on the regional and firm perspectives just presented, before moving into a broader discussion on the profession's pipeline.</i>

TIME	MIN.	AGENDA
11.45 – 12.20	35"	Panel – Expanding the Pipeline: Talent for the Future <i>This panel will explore how new pathways and qualifications are widening access to the profession and strengthening the pipeline. Panelists will share practical approaches to attracting, developing, and retaining talent that meets the needs of a changing marketplace.</i> Moderator: Ms. Sarah Beale, Chief Executive, Association of Accounting Technicians (AAT) Panelists: 1. Bony Nean*, Deputy Director General, Accounting and Auditing Regulator Cambodia, Deputy Director General 2. Lucy Cohen, President, Association of Accounting Technicians (AAT) 3. Andrew Conway, Chief Executive Officer, Institute of Public Accountants (IPA)
12.20 - 12.35	15"	Q&A
12.35 - 13.35	60"	Networking Lunch
WOMEN IN THE PROFESSION		
13.35 – 14.15	40"	Conversation – Women in Finance: Shaping the Future of Regional Leadership <i>This session will spotlight women leaders shaping the accountancy profession, regulation, and business in Asia-Pacific. Panelists will share experiences advancing gender inclusion, driving innovation, and leading on sustainability and technology. The discussion will highlight how diverse leadership strengthens the profession's resilience and relevance in the region.</i> Moderator: Taryn Rulton, Deputy President, IFAC 1. Representative from the Korean Institute of Certified Public Accountants* 2. Sophia Wattimena*, Chairwoman of the Audit Board/Member of the Board of Commissioners, Indonesia Financial Services Authority 3. Representative from the Philippines Institute of Certified Public Accountants (PICPA)* 4. Esther An*, Chief Sustainability Officer, CDL
14.15 – 14.30	15"	Q&A
AI AND THE ACCOUNTANCY PROFESSION		
14:30 – 15:10	40"	Panel – Trust in AI: Preparing the Profession for Assurance and Ethics <i>This session will focus on the profession's emerging role in providing assurance and ethical oversight of artificial intelligence. Panelists will explore how regulations are evolving, where assurance gaps exist, and how accountants can position themselves at the center of building trust in AI. Perspectives will highlight ethics, talent readiness, regulatory engagement, and market expectations as AI assurance becomes a new frontier for the profession.</i> Moderator: Rasmimi Ramli, Executive Director, Sustainability, Digital Economy and Reporting, Malaysian Institute of Accountants (MIA) Panelists: 1. CA. Charanjot Singh Nanda, President, Institute of Chartered Accountants of India (ICAI) 2. Representative of Professional Accountancy Organisation (PAO) 3. Representative of IESBA* 4. Johnny Yong, Executive Director, CAPA

15.25 - 15.55	30"	Networking Coffee Break
15.55 - 16.15	20"	Fireside Chat: Trust and Tax: Building Confidence in the Profession <i>This fireside chat will explore how accountants can reinforce public trust through tax transparency and accountability. Anchored in insights from IFAC, OECD, CAANZ and ACCA's recent publications on tax and trust, the discussion will highlight evolving expectations from regulators, businesses, and society and how the profession can lead in shaping fair, transparent tax systems.</i> Moderator: Lee White, CEO, IFAC Panelists: 1. Lucia Real-Martin*, Executive Director Relationships, Association of Chartered Certified Accountants (ACCA) 2. Geraldine Magarey*, Group Executive, Advocacy and International, Chartered Accountants Australia and New Zealand (CAANZ) 3. Melinda Brown*, Senior Tax Advisor, The Organisation for Economic Co-operation and Development (OECD)
16.15 - 16.25	10"	Q&A
16.25 – 16.55	30"	Closing Reflections: Leading Forward Together <i>This session will bring the event to a close by drawing together the themes, insights, and forward-looking actions discussed throughout the day. Panelists will share reflections on how global, regional, and professional leadership can work in concert to shape the future of the accountancy profession.</i> Moderator: ICAEW* Panelists: 1. Prof. Sidharta Utama, IFAC Board Member and Council Member, IAI 2. Julia Tay, Asia-Pacific Public Policy Leader, EY 3. Jennifer Lopez, Chief Executive, CAPA
16.55 - 17.00	5"	Final Remarks: Lee White, CEO, IFAC

* on confirmation

Why You Should Attend this Event

- 1 Strengthen Leadership in Times of Global Uncertainty**
Geopolitical shifts, financial volatility, climate challenges, and digital disruption are reshaping economies everywhere. This seminar equips leaders to stay **resilient** and decisive, enabling you to safeguard trust and drive impact in this era of uncertainty.
- 2 Gain Strategic Insights Beyond Compliance**
The role of finance and governance leaders extends far beyond traditional oversight. Through panels on business strategy, **sustainability risk management**, and public sector innovation, you'll discover how to move from reactive compliance to proactive decision-making. These insights will empower you to build organizations that deliver trust, value, and long-term competitiveness.
- 3 Unlock Networking and Collaboration on a Global Stage**
This event is a premier platform for **networking** and **collaboration** with regulators, standard setters, and leaders from across the **private** and **public sectors**. The exclusive Gala Dinner enhances this opportunity, allowing you to forge trusted partnerships and exchange ideas that will extend well beyond the event.
- 4 Shape the Future of the Profession**
Accounting today goes beyond numbers—it is central to solving complex global challenges. Hosted by the Institute of Indonesia Chartered Accountants (IAI), a founding member of IFAC and a recognized leader in advancing professional standards and ethics, this seminar places you at the heart of a dialogue that shapes the profession worldwide. Join forward-looking discussions on how accountants can contribute to national growth, **climate resilience**, **digital finance ecosystems**, and **public sector** innovation. By participating, you'll help define a future-ready profession beyond numbers that is essential to building the golden future of governance, reporting, and accountability.
- 5 Experience Jakarta as a Hub of Opportunity and Innovation**
Set against the backdrop of Indonesia's ambition toward **Golden Indonesia 2045**, Jakarta offers the perfect stage to showcase the intersection of economic growth, digital transformation, and sustainable development. Attending this event means not only gaining professional insights but also experiencing a vibrant city that is fast becoming a global hub for business, finance, and innovation.
